

Brendon Oreto Bursary Guidelines

The Brendon Oreto Bursary will award one student at Leo Hayes High School, Fredericton High School, Stanley Consolidated School, and the Central New Brunswick Academy, either male or female, a \$1,000 non-renewable bursary to go towards their post- secondary education.

The deadline for application is May 31st.

Recipients will be chosen by Athletic Staff at each individual school.

Please include a one-page application including:

- Contact Information
- Student participation in High School
- School/Extra-Curricular Activities
- Post-Secondary Plans
- Two References; one teacher and one non-related adult who has known the student for a minimum of two years.
- Applicants must plan to attend a University, College, Technical School or other recognized post-secondary educational institute. Proof of enrolment will be required.

Decision Guidelines

- To go to a student who needs financial assistance to pursue their educational path
- To go to an athlete of any sport who is good in their sport but not necessarily the best in their sport
- To go to a student who has the marks to be accepted into any post-secondary program of their choice
- We are looking for the student who stands out in the crowd. Someone who has a love of life, enthusiasm and makes other people feel good just because they are around.
- We would like to support an all-around athlete and student who may not suit the criteria of many other scholarships or bursaries.
